

CONSENT FORM FOR PARENTS

Please insert the name and address of childcare facility

Date

Dear Parent,

A "Say NO to Poisons!" storybook, activities and Learning Plan was developed by the National Poisons Information Centre (NPIC) at Beaumont Hospital and the County Carlow VEC Childcare Centre. The aim of the "Say NO to Poisons!" materials is to increase awareness and promote safety about poisons for pre-school children. The "Say NO to Poisons!" storybook has been endorsed by Early Childhood Ireland.

We would like to request your permission for your child to be involved with the upcoming Say NO to Poisons! Day that will take place in this childcare facility. The Say NO to Poisons! Day and the Learning plan will involve different learning activities including story time, activity worksheets, and colouring.

Thank you.

Manager, Childcare Centre

✂✂✂-----please cut and return this part to the Childcare Centre:

I have read all the details in the consent letter and I give permission for my child to take part in the "Say NO to Poisons!" day.

Please complete the form in BLOCK LETTERS.

Child's name: _____

Parent's name: _____

Parent's signature: _____
